ARCHITECTURAL HARDWARE / HERRAJES ARQUITECTÓNICOS

Who are we?

We are a Mexican business dedicated to the manufacturing, sale and distribution of high quality dependable fittings.

Stemming from a long family history of hardware distribution in the heart of Mexico, Jako branched off in 2001 and began its independent operations in the city of Cancun. It has since rapidly matured into what has now become the leading architectural hardware company in the southeast of Mexico.

Jako builds its strength on the numerous warehouses fully stocked with an extensive line of products, in addition to, an impressive infrastructure and organized logistics for the efficient and precise distribution to all the major cities in Mexico and Latin America. This is backed by our sister company, LNS Manufacturing, which provides us the backbone to rapidly respond to any client need or demand, including customized products, designs, and ideas.

With the intention of being at the forefront, we are constantly at work enhancing our catalog of products ensuring that our customers have access to only the most innovative and cutting-edge hardware in areas such as doors, furniture, kitchen and glass fittings. Our family is committed to bring to you only the best in style, design and innovative solutions positioning Jako amongst the avant-garde.

¿Quiénes somos?

Somos una empresa con sede en México dedicada a la manufactura, venta y distribución de herrajes arquitectónicos de alta calidad.

A partir de una larga historia familiar de distribución de herrajes en el corazón de México, Jako se separó en el año 2001 y comenzó sus operaciones de forma independiente en la ciudad de Cancún. Desde entonces, ha madurado rápidamente hasta convertirse en la empresa líder en herrajes arquitectónicos en el Sureste de México.

Jako se basa en los numerosos almacenes completamente abastecidos con una extensa línea de productos, además de una impresionante infraestructura y logística que permite una distribución eficiente y precisa a cada una de las principales ciudades de México y América Latina. Nuestra compañía hermana LNS Manufactura nos proporciona el respaldo necesario para satisfacer cualquier necesidad o demanda del cliente, incluidos productos y diseños únicos.

Con la intención de estar a la vanguardia, estamos trabajando constantemente para mejorar nuestro catálogo de productos, garantizando que nuestros clientes tengan acceso únicamente a diseños más innovadores y vanguardistas en Herrajes y Accesorios para puertas, muebles, cocinas y cristal. Nuestra familia Jako está comprometida a brindarle soluciones innovadoras, al igual que solo lo mejor en diseño y estilo, posicionando a Jako a la vanguardia.
